

Road Skillz. Color. 24 min. Scott Kuhne dist. by BWI, Midwest Tape, Instructional Video, & others. www.roadskillz.com. 2005. DVD \$19.95. Public performance; Spanish-language soundtrack included.

Road Skillz heads beyond the driver's test to help young motorists anticipate some of the situations they will face when behind the wheel. A valuable collection of tips are presented by some of the world's finest professional drivers, including Arie Luyendyk Jr., Boris Said, and Ryan Arciero. Road Skillz uses video re-creations and top-notch computer graphics to drive the points home. The program is quite current; exceptional addition to driver's training materials for the classroom or the home audience.
